

48-126 **Light Duty Multi-purpose Industrial** Glove

Multi Purpose Abrasion Protection

# Cost effective solution for light duty applications requiring a good level of abrasion resistance &grip, as well as high tactility in dry to slightly oily environments

- Made with a black 15 gauge highly comfortable and dexterous polyester liner (depending on the application requirement)
- EDGE 48-126 industrial work glove combines a seamless knitted liner with elasticized knit wrist dipped into black polyurethane coating.
- This combination provides good flexibility and finger dexterity compared to cotton canvas or thick cotton gloves.
- EDGE 48-126 is the efficient choice for an inexpensive light duty glove solution with quality features.

#### Industries

- Automotive
- Electronics
- Machinery and Equipment
