

PlumWipes offer you:

- **Fast, simple cleaning**

You can clean and dry in one action. PlumWipes offer you time-saving cleaning without the use of water. Ideal for service vans and other places where there is no access to water.

- **Extremely economical in use**

The polypropylene wipes absorb and encapsulate large quantities of grime and dirt. This means that they can be used several times.

- **Effective cleaning with regenerating effect**

Our range of PlumWipes combines an effective cleaning fluid with regenerating substances and soft wipes with a built-in scrubbing effect that helps to remove even very stubborn dirt.

- **A wide range of applications**

PlumWipes can be used to clean your hands as well as tools in addition to solid surfaces and machinery of all types. All wipes can be used with advantage by fitters, blacksmiths, mechanics, painters, printers, construction workers, service technicians and many others.
